

British Blowlamp Patents

Publication #	Stated Inventor (Agent*)	Assignee or Foreign Inventor / Company	Inventor Citizenship	Patent Title	Brief Description
GB185400887	Davis		GBR	Portable Blow Pipe Apparatus	Blow-pipe with foot pump
GB186302535	Stuber		GBR	Improvements in Lamps and Stoves for Application of Blast Heat	Agricultural blast Lamps. (No illustration)
GB186501711	Brooman*	Schpakofsky & Stange	RUS	Improved Method and Apparatus for Burning Liquid Hydrocarbons ...	Mixing Fuel & air. Includes illustration of later Blowlamp
GB186701149	McKechnie		GBR	Apparatus for Applying Concentrated Heat ... Brazing...	Nozzle added to bellows. (No illustration)
GB186702491	McKechnie		GBR	Apparatus for Applying Concentrated Heat ... Brazing...	Nozzle added to bellows. (No illustration)
GB186800963	Spong & Haddaway		GBR	Blow Pipes	Self contained Blow-pipe & Lamp (No illustration)
GB186801546	Armstead		GBR	Blow Pipe	Blowpipe& reservoir (No illustration)
GB186802065	Hodge		GBR	Applying Hydrocarbons to Smelting etc.	Adds steam to a Blow-pipe Jet. (No illustration)
GB186803151	Lake*	Lowe	USA	Apparatus for Generating and Burning Vapour of Hydrocarbon Liquids	Elaborate Apparatus includes application to a smoothing Iron.
GB187202069	Cook & Lafone		GBR	Blow Pipes	Mouth-Blow Blow-pipe
GB187203233	Harper		GBR	Gas Lamp Blow-Pipe Apparatus etc.	Self-acting Lamp with two Jets
GB187603055	Clark*	Paquelin	FRA	Producing & Applying Heat	Thermo-cauterizing Lamp
GB187700411	Wimpenny		GBR	Apparatus for Lighting Fires, Soldering, and Brazing.	Adds a Burner nozzle to a bellows
GB187804560	Smith		GBR	Portable Stoves for Burning Off Paint	Paint Burner using solid Fuel (No illustration)
GB187901689	Lake*	Sprague	USA	Apparatus for Burning Liquid Fuel	Elaborate self-acting Lamp
GB187904023	Smith		GBR	Stove or Furnace for Heating Soldering Bolts.	Gas-Fueled Soldering Iron Heater (No illustration)
GB188001594	Quesnell		FRA	Gas-Soldering Irons.	Gas-Fueled Soldering Iron
GB188004064	Dann*	Flurschein	GER	Producing and Maintaining High Degrees of Heat.	SHSI
GB188004181	Clark*	Oakley & De Coster	FRA	Combustion of Volatile Hydrocarbons for Heating Purposes.	Thermo-cauterizing Lamp
GB188102781	Brydges*	Stoll	GER	Oil or Hydrocarbon Gas Soldering Apparatus.	SHSI
GB188201935	Cooper		GBR	Plumbers furnaces.	Firepot
GB188203026	Garratt		GBR	Blow-pipe Lamp	Garratt Mouth-Blow Lamps
GB188301448	Lake*	Johnston	USA	Soldering Apparatus	Soldering furnace for cans; solid Fuel
GB188412144	Hinksman		GBR	Apparatus for Removing Paint from Woodwork.	Paint Burner Lamp with needle valve
GB188413026	Briggs		GBR	Apparatus for use in Soldering	Blowlamp with flexible connection to Burner
GB188507738	Pfeifer & Schutz		GBR	Improved Apparatus for Heating Soldering Tools	SHSI
GB188509280	Thompson*	Wellington	USA	Improvement in Torches	Wellington USA Blowtorch
GB188515195	Coldwell		GBR	Improvement in Apparatus for Burning Off Old Paint	Grid for use with a "bunsen" Burner
GB188604586	Burdock		GBR	Lamps for Painters, Plumbers etc.	Lamp similar to Garratt with large external pump
GB188606859	Clark*	Paquelin	FRA	Apparatus for Automatically Generating & Burning Inflammable Vapours	Form of Paquelin Blowlamp
GB188609496	Bellamy		GBR	Improvement in the Construction of Plumbers Blow-pipes	Mouth-Blown Lamp with solid Fuel
GB188708643	Sievert		SWE	Lamps for Burning volatile Oils ... Suitable for Blow Pipes, Soldering Irons and the like	Illustrates two Sievert Blow Lamps, an SHSI and a stove
GB188709287	Bush		GBR	Improved Combination Lamp & Blow-pipe	Bush three way Mouth-Blown Lamp
GB188804402	Thompson*	Porcelain Dental Art Co.	USA	Improvements in or Relating to Hydrocarbon furnaces	Melting furnace with external Fuel and air
GB188806818	Jagger		GBR	Stoves for Heating Soldering, and other Irons.	Soldering Iron Heater Burning solid Fuel

Publication #	Stated Inventor (Agent*)	Assignee or Foreign Inventor / Company	Inventor Citizen ship	Patent Title	Brief Description
GB188808021	Rawlings & Rawlings		GBR	Soldering Apparatus	Solder bit for Gas Heated or SHSI
GB188914832	Jones		GBR	Spirit Lamps or Burners	Single cylinder Mouth-Blow Lamp
GB189001527	Jones		GBR	Improved Blow-Pipe for Gas Fitters	Mouth-Blow Lamp
GB189002227	Wise*	Barthel	GER	Improvements in Lamps for Burning Hydrocarbons	Blow Lamp and laboratory Burner
GB189002721	Fryer		GBR	Improvements in Portable stoves for removing Old Paint	Paint Burner using solid Fuel
GB189012159	Abbott & Abbott		GBR	Improvements in Pyrographic Instruments for Drawing on Wood	Lamp for Poker work
GB189103206	Cutmore		GBR	Improvement in Spirit Lamps and the Like.	Burner filled with carbon
GB189105283	Schott*	Heyer	GER	Improvement in Apparatus for Soldering etc.	Blowlamp with bulb pump
GB189107020	Krempelhuber		GER	New or Improved Blow-Pipe Lamp	Mouth-Blow Lamp / SHSI
GB189108642	Barthel & Schone		GER	Improvement in Lamps Suitable for Soldering etc.	Barthel Blowlamp with spherical tank
GB189108833	Barthel		GER	Improvement in Lamps	Barthel alcohol Blowlamp
GB189111867	Parker		USA	Improvement in Tool for Jewelers	Fixture for holding items to be Soldered
GB189117312	Squire & Squire		GBR	Improvement in Blow Pipes	Blow-pipe Lamp with bulb
GB189121380	Longuemare		FRA	Improvement to Lamps for Heating Purposes	Longuemare L'Inexplosible Blowlamp
GB189204050	Paquelin		FRA	Apparatus for Automatically generating & Burning Inflammable Vapours	Paquelin Blowlamp with side valve
GB189204383	Wetter*	Linsig & Andersen	SWZ	Improvements in Petroleum Heating Apparatus Suitable for Heating Soldering Irons.	Firepot / SI Heater
GB189206175	Boult*	Barthel	GER	Improvements in Lamps or Burners	Barthel SHSI
GB189207401	Leigh*	Clark	USA	Improvement in Vapor Burners or Plumber's Torches	Blowlamp similar to Paquelin
GB189207519	Paquelin		FRA	Thermo-cauters, Blowpipes, Soldering Irons, Pyrographic & Branding instruments	Paquelin thermo-cauters etc.
GB189211292	Webster		GBR	Combination of a Soldering Bit with any Automatic Spirit Blowing Lamp	Soldering bit attachment for a Blowlamp
GB189219482	Lake*	Hjorth	SWE	Improved Burner for Stoves and Soldering Apparatus	Cross shaped Burner for cooking stoves etc.
GB189305564	Mcllvride		GBR	Lamps for Blistering, Soldering, Brazing etc.	Self acting Lamp with shield & two Flames
GB189307152	Rose		GBR	Improvements in Self-Generating Gas or Vapor Lamps	Industrial Blowlamp
GB189319945	Boult *	Barthel	GER	Improvements in Hydrocarbon Lamps for Soldering or other Purposes.	Barthel Blowlamp with angled Burner
GB189321436	Kohn		GER	Burners for Medical Purposes, Wood & Leather Burning Work etc.	Lamp for Poker work etc.
GB189322497	Tyers		GBR	Improvements in or Relating to Oil Furnaces	Tyers firepot
GB189323103	Farinetti & Heyse		BEL	Improvements in Blow-Lamps and Soldering-Lamps.	Self-acting Lamp with bulb
GB189323257	Trenchard		GBR	Improvements in Lamps and Burners for Lighting and Heating Purposes.	Industrial Blowlamp
GB189400235	Tennant & Crockford	Gas Lighting Improvement Co.	GBR	Improvements in Apparatus for Vaporizing and Burning Hydrocarbons for Lighting and Heating Purposes.	Gas Lighting Improvement Co. Blowlamp with swivel Burner
GB189401233	Nyberg		SWE	Improvements in Hydro-carbon Burners.	Blow Lamp (different than his original)
GB189401315	Moeller & Condrup		GBR	Improvements in Charring Instruments * Apparatus for Drawing on Wood etc.	Lamp for Poker work
GB189402467	Lee & Lancaster		GBR	Oil Vapour Ejector Lamps for Illuminating and Heating Purposes	Blowlamp
GB189403470	Keeble		GBR	Improvements in Blow Pipes	Two cylinder Mouth Blow Lamp
GB189404384	Carley		GBR	Improvements in Lamps for Heating Purposes	Carley Blowlamp
GB189404709	Thompson *	Verbeeck, Briquet	BEL	Improvements in Soldering-Lamps.	Blowlamp

Publication #	Stated Inventor (Agent*)	Assignee or Foreign Inventor / Company	Inventor Citizen ship	Patent Title	Brief Description
GB189404919	Rose		GBR	Improved Portable Apparatus for Generating Oil, Gas, or Vapour for Heating, Drain Testing, and other Purposes.	Blowtorch with novel Burner
GB189408029	Longuemare		FRA	Improvements in and Relating to Apparatus for Soldering	Blowtorch with Burner on hose connection
GB189409819	Lake *	Hjorth, B.A.	SWE	Improvements in Heating Apparatus or Blow-Lamps for Soldering and other Purposes.	Hjorth Blowtorch
GB189411146	Reburn		GBR	Improvements in Painters' and Plumbers' Lamps.	Adaptor to change direction of Blowlamp Flame
GB189414457	Thompson		GBR	Improvements in Vapour Burners or Plumbers' Torches	Similar to "Vulcan" USA Blowtorch
GB189414776	Dymond*	Verbeeck, Briquet	BEL	Improvements in or connected with Lamps for Use in Removing Old Paint and for like Purposes	Diffusing Paint Burner adapter for Blowlamp
GB189500796	Melville		GBR	Improvements in Vapour Cauteries for Pyrography or Poker Work.	Lamp for cautery and Poker work
GB189503456	Pullen		GBR	Improvements in Lamps or Burners for Heating Soldering Irons, Removing Paint, and for other uses.	SHSI
GB189505380	Tighe & Darrah	Baxendale	GBR	Improvements in or connected with "Paint Burning Off" or Vapour Lamps and the like	Windshield casing for Blowlamp
GB189509305	Tennant	Gas Lighting Improvement Co.	GBR	Improvements in Lamps for Burning Fluid Hydrocarbons for Heating or Lighting Purposes	Gas Lighting Improvement Co. Blowlamp with swivel Burner
GB189509824	Smith & Smith		GBR	Improvements in or appertaining to Blow-pipes and in Burners to be used in connection therewith	SHSI with adaptation to Paint Burning (with separate pump)
GB189509851	Little		GBR	Improvements in Lamps and Apparatus for Vaporizing and Burning Hydrocarbons for Lighting and Heating Purposes	Industrial Blowlamp
GB189510245	Williams		GBR	Improvements in Blow-Lamps.	Blowlamp / Paint Burner
GB189510698	Wilson		GBR	Improvements in Blow-Lamps.	Blowlamp
GB189511193	Ankrett		GBR	Improvements in Blow Lamps used by Plumbers, Painters and others.	Blowlamp
GB189513717	MacDonald		GBR	Improvements in Oil Lamps for Removing Paint, Plumbers' Work, and other like Purposes.	Long cylindrical Blowlamp
GB189514864	Lilliehosk		SWE	Improvements in Petroleum Burners, Petroleum Stoves, Soldering Lamps and the like	Burner for stoves and Soldering Lamps
GB189516515	Tennant	Gas Lighting Improvement Co.	GBR	Improvements in and Relating to Apparatus for the Burning of Fluid Hydrocarbons for Lighting and Heating Purposes	Gas Lighting Improvement Co. Swivel Burner for industrial Blowlamp
GB189524827	Thompson*	Jetter & Scheerer	GBR	Improvements in Cauterising Apparatus	Lamp for cauterizing
GB189602479	Ford-Lloyd		GBR	Improvements in Blow Lamps or Roarers for Soldering Purposes.	Soldering Iron fixture for Blowlamp
GB189610121	Fouilloud		FRA	Improvements in Soldering Lamps and Soldering-Irons.	SHSI and Blowlamp
GB189611198	Imray*	Sievert	SWE	An Improvement to Petroleum Gas Lamps.	Sievert "Rapid" Blowlamp
GB189611313	Boult *	Barthel	GER	Improvements in or Relating to Vaporising Burners for Soldering-Lamps, Soldering-Irons, etc. like.	Barthel SHSI and Blowlamp
GB189618384	Pullen		GBR	Improvements in Blow Pipe Lamps for the Use of Plumbers and for Heating Purposes generally.	Blowlamp
GB189618630	Landfried		GER	Improvements in Petroleum Blow-Lamps.	Blowlamp
GB189620474	Roberts		GBR	An Improved Combined Lamp and Blow-pipe	Mouth Blown Lamp
GB189627383	Shirley		GBR	Improvements in Soldering Bits	SHSI

Publication #	Stated Inventor (Agent*)	Assignee or Foreign Inventor / Company	Inventor Citizen ship	Patent Title	Brief Description
GB189628394	Watkins		GBR	Improvements in and connected with Oil or Vapour Burners for Heating Purposes, Brazing, Melting, and the like	Burner for Blowlamp
GB189701793	Dechery		FRA	An Improved Apparatus for Use for Cauterizing and Soldering Purposes	Lamp for cautery and Soldering
GB189702067	Boult*	Schneider	GER	Improvement in Instrument for Poker Worker	Lamp for Poker work
GB189704658	Hussey		GBR	Improvements in and Relating to Plumbers' and like Pots.	Solder pot (only)
GB189706676	Westhead		GBR	A Combined Plumber's or Soldering Iron and Lamp for Heating the same.	Adapter for Blowlamp to melt Solder
GB189710064	Cox-Walker & Twentyman		GBR	An Improved Soldering Iron and means of Heating same	SHSI with bellows
GB189714518	Beach		GBR	Improvements in Thermo-cauters and similar Instruments for Pyrographic and Surgical Purposes.	Thermo cauter
GB189715296	Dupee, Shapland et al		USA	Improvements in Blow-Lamps for Tinner, Plumbers, and the like.	Firepot
GB189718830	Dupee		USA	Improvements in Blow Torch Burners.	Burner for firepot and Blowtorch
GB189719849	Horton & Pullen		GBR	A New or Improved Portable Apparatus or Burner Tool for Brazing and other Purposes.	Blowlamp / SHSI with Burner on hose
GB189723565	Eulner		GER	Improvements in Soldering Lamps.	Two cylinder alcohol Blowlamp
GB189726324	Boult*	Barthel	GER	Improvements in or Relating to Bunsen Burners for Burning petroleum and other Hydrocarbons	Barthel Burner for Blowlamp
GB189726804	Barber & Barber		USA	An Appliance for Soldering	Blowlamp with Solder dispenser
GB189800555	Platt		GBR	Improved Apparatus for Soldering, Brazing & Paint Burning Off etc.	Nozzle adapters for Blowlamps
GB189806764	Lake*	Forselles	FIN	Improvements in Vaporizing Burners	Burner
GB189811053	Thompson*	Briquet and De Raet	BEL	An Improved Vapour Lamp for Soldering and like Purposes	Blowlamp
GB189902105	Adams & Burrige		GBR	An Improved Appliance for Use in Soldering	Burrige Solder bit adapter for Blowlamp
GB189906496	Palmer		GER	Improvement connected with Apparatus for Poker Work	Lamp for Poker work
GB189908674	Lake*	Hutchinson & Criswell	USA	Improvements in Branding Irons	Self Heated Branding Iron
GB189910193	Main		FRA	Improvements in or Relating to Vapour Burners	Burner
GB189910196	Hussey		GBR	New or Improved Attachments for Painters' Lamps and the like	Cleaning adapter for Blowlamp / Paint Burner
GB189914034	Kettmann		GER	Gas Soldering Apparatus with Longitudinal Burner	Gas-Fueled Soldering Iron
GB189916679	Willis*	Aitken	USA	Improved Combined Burner and Scraper for removing Paint and Varnish	"Climax" Paint Burner / scraper (USA)
GB189918819	Heinz & Heinz		GER	Improvements in Blow-pipe Lamps	Gas Fueled Blow-pipe
GB189920013	Palazzi & Pivetta		ITA	An Improved Soldering Lamp or Burner	Steam operated Blow-pipe
GB189925125	Tyers		GBR	Improvements in Oil Vapor Stoves for Burning Off Paint or for like Purposes	Blowlamp adapted for Paint Burning / scraping
GB190000442	Shields		USA	Improvements in Soldering Irons	SHSI
GB190004132	McMurtrie		GBR	Improvements in and connected with Portable Spray or Vapour Lamps, Burners or Heaters, which Improvements are also Applicable to Stationary Lamps, Burners, or Heaters of that Type	Vapour Lamp
GB190005913	Hornsby & Holloway		GBR	Improvements in Vapour Lamps	Industrial Vapour Lamp / Blowlamp
GB190007647	Matthews		GBR	Improvements in or connected with Vapour Lamps	Flow regulator for Vapour Lamps
GB190011445	Van der Meulen & van der Valk		HOL	Improved Construction of Apparatus for Branding or Marking Paper and other Material	Branding machine
GB190011452	Bulmer		GBR	Improvements in and Relating to Soldering Irons	SHSI

Publication #	Stated Inventor (Agent*)	Assignee or Foreign Inventor / Company	Inventor Citizen ship	Patent Title	Brief Description
GB190012612	Thompson*	Barthel	GER	Improved Blue Flame Burner and Gasifier for Liquid Fuel	Barthel Burner for Blowlamps etc.
GB190016024	Svenson		SWE	Improvements Relating to Petroleum Soldering Lamps	Burner for Blowlamps
GB190016025	Svenson		SWE	Improvements Relating to Soldering Lamps	Blowlamp & regulating valve
GB190103128	Adams	Burridge	GBR	Improvements in Blow Lamps or Burning Off Torches	Burridge Blowlamp
GB190104881	Dinsmore		USA	Improvements in Self-Heating Implements such as Soldering and Brazing Tools	SHSI
GB190106895	O'Brien		USA	Improvements in Pipe Joint Pouring Apparatus and Combined Hydrocarbon Vaporizer and Burner therefor	Pipe jointing machine
GB190106912	Boult *	Barthel	GER	Improvements in or Relating to Lamps for Heating and Soldering Purposes	Barthel Blowlamp
GB190114333	Karfunkelstein		GER	Improvements connected with Gas Soldering Irons	Gas Fueled Soldering Iron
GB190118253	Haddan *	Clayton & Lambert	USA	Improvements in Plumbers' Portable Furnaces	Clayton & Lambert firepot
GB190121151	Lake & Elliot	Lake & Elliot	GBR	Improvements in or connected with Self-generating Vapour Burners or Lamps	Lake & Elliott Blowlamp
GB190023131	Shirley & Shirley		GBR	A Portable Vapour Lamp or Stove for the use of Plumbers etc.	American "Queen" Blowtorch
GB190204895	Boult *	Barthel	GER	Improvements in or Relating to Heating and Soldering Lamps	Barthel Blowlamp
GB190215255	Svenson		SWE	Improvements Relating to Soldering Lamps	Burner for Blowlamp
GB190226568	Savage	Henleys	GBR	Improvements in Spirit Lamps for Heating Purposes	Blowlamp
GB190227738	Lake*	Phipps	USA	Improvements in Branding Irons	Self-Heated Branding Iron
GB190228399	Martin		GBR	Improvements connected with Spirit Lamps or Torches	Blowlamp Burner shield
GB190300333	Lake*	Phipps	USA	Improvements Relating to Air Pumps Chiefly Applicable to Self-Heating Branding Irons etc.	Self Heated Branding Iron
GB190303613	Tyers		GBR	Improvements in or Relating to a Combined Oil Vapour Stove and Illuminating Apparatus	Tyers stove
GB190305860	Thorngren		USA	Improvements in Soldering Tools	SHSI
GB190308185	Kettner		GER	Improved Regulating Cock for Platinum Cauterizing Apparatus, Soldering Lamps and the like	Cock for cauterizer
GB190310684	Tyssowska		USA	Improvement in Tools for Pyrographic Work in Artistic Delineation	Lamp for Poker work
GB190314294	Oakley - Jackson		GBR	Improvements in and connected with Blow-pipes	Long cylindrical Blowlamp
GB190317275	Grube		GER	Improvements Relating to Blow-Lamps for Soldering and other Heating Purposes	Blowlamp with bulb
GB190319024	Smith	Dudbridge Iron Works	GBR	Improvements in and Relating to Oil and Vapour Burners	Industrial Vapour Burner
GB190322994	Funcke	Rhenania	GER	Improvements in Means for Lighting Street Incandescent Gas Lamps	Blowlamp for lighting street Gas lights
GB190405547	Smallwood & Crowther		GBR	An Improved Blow Lamp	Blowlamp
GB190410861	McLeod		NZL	An Improved Oil or Vapour Burner for use in Soldering, Burning-off Paint, Branding and other like Purposes	Burner for Blowlamp
GB190410862	McLeod		NZL	An Improved Continuously Fire Heated Adjustable Brand for Expeditiously Branding Cattle Horses and other Animals and Inanimate Things or Articles	Self-Heated Branding Iron
GB190418153	Dinsmore & Atkinson		USA	Improvements in Self-Heated Soldering Tools	SHSI

Publication #	Stated Inventor (Agent*)	Assignee or Foreign Inventor / Company	Inventor Citizen ship	Patent Title	Brief Description
GB190423741	Allen		GBR	Improvements in Blow Lamps or Burning Off Torches for the use of Painters, Plumbers and the like	Blowlamp with unusual pump
GB190501718	Adams	Burridge	GBR	An Improved Blow Pipe Apparatus for Soldering and for other Purposes	Single cylinder Mouth Blow Lamp
GB190522539	Thiem		GER	Improvements in Gas-Heated Soldering Irons or Tools	Gas Fueled Soldering Iron
GB190600546	Auld		GBR	Improvements in and connected with Soldering Lamps	Mouth Blow alcohol Fuel Soldering Iron
GB190610118	Granel		FRA	A Portable Air-carbureting Device for use with Thermo-cauterizers, Oxyhydrogen Lamps for Optical Projection Apparatus, and the like	Lamp for cautery
GB190610815	Meek		GBR	Improvement in Lamps for Burning Oil with a Bunsen Flame	Burner for illuminating Lamp, Applicable to a Soldering Lamp
GB190615030	Boult*	Barthel	GER	Improvements in Burners for Liquid Fuels	Barthel Burner for a Blowlamp
GB190625783	Allen (Jones Allen)		GBR	Improvements in Blow Lamps for the use of Painters etc.	Blowlamp
GB190701393	Cary		USA	An Improved Apparatus or Appliance for Mixing a Combustible with Air	Burner for a Blowlamp
GB190709449	Hughes		GBR	A New or Improved Soldering Appliance for use with Blow-Lamps and the like	Blowlamp with an accessory for a Soldering Iron
GB190710055	Landells		AUL	A Combined Self-Heating Soldering Bolt, Blow Lamp, and Burning Off Lamp	SHSI
GB190727175	Caldecott		GBR	Improvements in or Relating to Paint Scraping Apparatus	Blowlamp with a Paint scraper accessory
GB190727612	Scott-Snell & Heard		GBR	Improvements in or Relating to Lamps for Brazing, Soldering etc.	Blowlamp with bulb pump
GB190805326	Landells		AUL	Improved Self-Heating Cattle Branding Appliance	Self-Heated Branding iron
GB190814626	Yates		GBR	Improvements in Blow Lamps	Blowlamp with side mount control valve
GB190819727	Martinez		FRA	Improvements Relating to Soldering Lamps	Blowlamp
GB190819775	Hall		GBR	Improvements in Blow Lamps	Blowlamp with wind shield
GB190821651	Carleton		USA	Improvements in Oil Lamps	American "Imp" Blowtorch
GB190823265	Woodward, Fredericks & Copelin		GBR	An Improved Smokeless Lamp Burning Hydro-carbons	Industrial Blowlamp
GB190823797	Moore & Moore		GBR	Improvements in Blowlamps	Spirit Blowlamp
GB190906664	Kinney		USA	Improvements in Vapour-Heated Implements Particularly Adapted to Soldering Irons, Torches etc.	SHSI
GB190909651	Green & Heath	Heath, S. & Sons	GBR	Improvements in Blow Lamps or Burning Off Torches or Stoves	Samuel Heat Blowlamp and stove
GB190910401	Laengin-Grether		GER	Improvements in and Relating to Soldering Irons	SHSI
GB190910518	Prosser		GBR	Improvements in or Relating to the Burners of Incandescent Gas Lights, Gas Stoves, Soldering Irons, Bunsen Burners and the like	Burner for incandescent Lamps Applicable to Soldering Irons etc.
GB190911040	Harle		FRA	Improvements in Incandescent and other Burners for Gasified Liquid Hydrocarbons	Burner
GB190912360	Neumeyer		GER	An Improved Soldering Iron	SHSI
GB191004578	Brueckmann	Bremer & Brueckmann	GER	Improvements in Slotted Burners for Soldering Apparatus	Flame spreader for Blowlamp
GB191011432	Filzer		USA	Improvements in Vapour Torches	Elaborate Blowtorch
GB191012577	Laengin-Grether		SWZ	Improvements in and Relating to Soldering Irons	Burner for SHSI
GB191013222	Grube & Wells		GER / GBR	Improvements in Blow Pipes and Blow Lamps for Soldering and other Purposes	Blowlamp using mixture of oil Vapour and air or oxygen
GB191016234	St. Amant		FRA	Improvements in and Pertaining to Oil Stoves	Oil Burning Soldering Iron Heater
GB191017990	Bland & Young		AUL	Improvements in Self-Heating Burning-off and Brazing Tools and the like	SHSI / Paint Burner

Publication #	Stated Inventor (Agent*)	Assignee or Foreign Inventor / Company	Inventor Citizen ship	Patent Title	Brief Description
GB191020881	Bellon		FRA	Improvements in and Relating to Soldering and other like Hand-Lamps	Steam operated Blowlamp with two tanks
GB191023422	Robbens		GBR	Improvements Relating to "Burning-off" Lamps	Blowlamp with Paint Burner attachment
GB191029413	Vanderkam		BEL	A Portable Gasoline Apparatus for Branding the Numbers on Packing Cases, Empties, and the like	Branding machine
GB191110134	Burrige		GBR	An attachment for use with Painters' Ordinary Shavehooks	Burrige Gas-operated Paint scraper
GB191112703	Steel		GBR	Improvements in or connected with Blow Pipe Burners	Blowpipe using a combination of carburetted petrol Gas and air
GB191112705	Steel		GBR	Improved Means or Apparatus for Working a Blow Pipe in Conjunction with a Carburetter	Carburetter for a Blowpipe
GB191122075	Gunyon	Autogen	GER	Improvements in and Relating to Blow-pipe Burners and Supply Fittings therefor	Blowpipe using a combination of Vapourised petrol Gas and air
GB191124126	Guilbert		FRA	Improved Tolls Supporting Device for Soldering, Branding and other like Apparatus	Leon Guilbert copper tip for SHSI
GB191125563	Harman-Clayton		GBR	Improvements in or Relating to the Heating of Plumber's Metal Pots, Soldering Irons and the like	Soldering Iron Heater accessory for a Blowlamp
GB191126505	Ulbrich		GER	Improved Self Heating Soldering Iron	SHSI
GB191217021	Remington		GBR	Improvements in or Relating to Blow Lamps and the like	Blowlamp with swiveling Burner
GB191217022	Remington		GBR	A New or Improved Safety Valve for Blow Lamps and the like	Safety valve for Blowlamp
GB191218776	Swallow		GBR	A Flame Spreader for a Painters Burning Off Lamp	Flame spreader for a Blowlamp
GB191223979	Yates		GBR	Improvements in Blow-Lamp Reservoirs	Filler cap for Blowlamp
GB191310664	Harman-Clayton		GBR	Improvements in or Relating to the Heating of Plumbers' Metal Pots, Soldering Irons and the like	Soldering Iron Heater accessory for a Blowlamp
GB191322909	Burrige & Ball		GBR	Improvements in Blow Lamps	Burrige Blowlamp
GB191325058	Marks*	Wassermann, Lieber	SWZ	Improvements in Apparatus for Heating, Welding and Hard-Soldering Metal Objects	Industrial Blowlamp on wheels
GB191409243	Filzer		USA	Improvements in Vapour Torches	Elaborate Blowtorch
GB191418072	Stapp & Co.	Stapp	GER	Improvements in or Relating to Vaporisers for Liquid Fuels	Burner for SHSI
GB191512931	Kitson & Noblett	Kitson Empire	GBR	Improvements in Vapour Burners for Lamps, Heaters and Stoves	Kitson Blowlamp
GB100559 (1916)	Peters, Peters & Smith		GBR	A New or Improved Blow Lamp for use on Oil Engines and for Heating Purposes	Engine Heater with separate air pump cylinder
GB104219 (1917)	Tyers		GBR	Improvements in Oil vapor Stoves	Tyers Blowlamp with separable Burner
GB106615 (1918)		A.C.M.E. Lieber	SWZ	Improvements in Apparatus for Heating, Welding and Hard-Soldering Metal Articles	Industrial Blowlamp
GB110250 (1917)	Keith		GBR	Improvements in Gas-Heated Soldering Irons	Soldering tip for Gas-operated Soldering Iron
GB112915 (1918)	Winn & Wilkes		GBR	An Improved Portable Stove	Soldering Iron Heater using a Blowlamp
GB125722 (1919)	Kitson	Kitson Empire	GBR	Improvements in or Relating to Atmospheric Vapour Burning Lamps and Stoves	Needle valve for a Blowlamp
GB126306 (1920)	Diffendall	Liberty Tool Co.	USA	Improvements in or Relating to Oil Burning Torches for Heating Metals or the like	Industrial Blowlamp with separable Burner
GB132340 (1919)	Fischer		GBR	A Combined Appliance for Heating Soldering Bits.	Accessories for Blowlamp for use with a Soldering Iron
GB138431 (1920)	Gatrill		GBR	Improvements in or Relating to boxes Applicable for use as Windguards	Wind shield box for use with a Soldering Iron
GB139144 (1920)		Surmelin	GBR	Improvements in or Relating to liquid Fuel Lamps.	Surmelin Blowlamp

Publication #	Stated Inventor (Agent*)	Assignee or Foreign Inventor / Company	Inventor Citizen ship	Patent Title	Brief Description
GB139561 (1920)	Timmins	Gaskell & Chambers	GBR	Improvements in Vapour Burners.	Burner for a Blowlamp
GB142015 (1920)	Thomas		GBR	Improvements in Painters' Lamps	Blowlamp with a wind shield and rubber pump
GB145932 (1920)	Spooner		GBR	Improvements in Vapour Burning Lamps	Blowlamp
GB146918 (1920)		Surmelin	FRA	Improvements in or Relating to liquid Fuel Lamps.	Surmelin Blowlamp
GB149031 (1920)	Bell		GBR	Improvements in or Relating to Blow-Lamps	Pump-less Blowlamp
GB149909 (1920)	Burkhardt		GER	Gas Soldering Tool	Copper tip for SHSI
GB150160 (1920)	Robin		USA	Improvements in Plumber's torches or Blow Lamps	Blowtorch with a coil preHeater
GB152555 (1920)	Stephens		GBR	Improvements in Vapour Blow Lamps	Blowlamp
GB154433 (1920)	Wilkes		GBR	An improved portable stove or furnace for Plumbers and like uses	Soldering Iron Heater using a Blowlamp
GB156857 (1921)	Tappert		GER	Improvement in Apparatus operating with bunsen Burners, such as Soldering tools or the like	Acetylene Fuel SHSI
GB160958 (1921)	Curnow	Howes, Burley	GBR	Improvements Relating to Brazing, Burning-off and like oil Vapour hand Lamps	Howes & Burley Burner for Blowlamp
GB161919 (1922)		A.C.M.E.	SWZ	Apparatus for Heating Welding Soldering	Industrial Blow on wheels
GB166103 (1922)	Ohresser		FRA	Improvements in or Relating to Soldering Irons	SHSI
GB167189 (1922)	Corsat		SWZ	Device for Soldering Aluminium	Blowlamp adapted to Solder Aluminium
GB173364 (1922)	Turner	Breeden	GBR	An Improvement in or addition to Blow Lamps	Safety device for Blowlamp
GB173760 (1922)	Malivert		FRA	An improved Heating device for Soldering-Irons and the like	Burner for SHSI
GB179917 (1922)	Viard		FRA	Medical Apparatus for hot air supply	Tubular Blowlamp adapted for medical use
GB185631 (1922)	Saberton		GBR	Improvements Relating to Painters' and like Blow Lamps	Wind shield for Blowlamp
GB186473 (1922)	Linwood		GBR	An adjustable stand for holding Brazing Lamps, Blow Lamps or such like Heating Apparatus	Stand for holding Blowlamp
GB191532 (1923)	Yates		GBR	Improvements in or Relating to Blow Lamps	Adapter for Blowlamp as a Paint Burner
GB191914 (1923)	Malivert		FRA	Improved Vaporising device for Soldering Lamps, Soldering-Irons, Chafing-dishes and other similar Articles	Malivert SHSI
GB196751 (1923)	Bennett		GBR	Improvements in Gas Heated Soldering Irons	Gas Heated Soldering Iron
GB197750 (1923)	Hayward		USA	Improvements in Vapour Burning torches adapted for use as Soldering Irons	SHSI
GB204822 (1923)	Jenkinson		GBR	An Improved Blow Lamp	Two cylinder alcohol Lamp
GB219140 (1924)	Kitson	Kitson Eng.Co.	GBR	Improvements in or Relating to safety-valves for the Fuel Containers of Blow Lamps and the like	Kitson safety valve for Blowlamp
GB227947 (1925)	Yates		GBR	Improvements in or Relating to Valves for Blow Lamps or the like	Yates valve for Blowlamp
GB233167 (1925)	Burton	Parkinson & Cowan	GBR	Improvements Relating to Oil Vaporisers and Blow Lamps or Burners	Parkinson & Cowan Vaporiser / Burner for Blowlamp
GB234622 (1925)	Meads	Parkinson & Cowan	GBR	Improvements to Vapour Lamps or Burners	Parkinson & Cowan pump for Blowlamp
GB235077 (1925)	Westbury		GBR	Improvements in Blow Lamps Burning Liquid Fuel	Tubular Blowlamp
GB236520 (1925)	Moeller		GER	Improved Torch or Blow-Lamp for use with Heavy Oils	Blowlamp

Publication #	Stated Inventor (Agent*)	Assignee or Foreign Inventor / Company	Inventor Citizenship	Patent Title	Brief Description
GB243207 (1925)	Downey		USA	Improvement in Blow torches	American Downey gravity-fed Blowtorch
GB248492 (1926)	Wilson		GBR	Self contained Portable Spirit Blowpipe	Mouth Blown Lamp
GB252571 (1926)	Roemer		GER	Improvements in Soldering Irons	SHSI with Solder feeder
GB284851 (1928)	Bladon & Neale	Bladon	GBR	Improvements in Blow Lamps	Bladon Blowlamp
GB294268 (1928)	Henderson		GBR	Improvements in or Relating to Blow Lamp Vaporizers	Vaporizer for Blowlamp
GB299673 (1928)	Buchanan	G-V Sprayer	USA	Improvements in and Relating to spraying Apparatus and Blow Lamps	Lacquer sprayer adaptable as Flame sprayer
GB300888 (1928)	Gysels		USA	Improvements in and Relating to Torch Soldering Irons	Soldering Iron Heated by a mixture of Gas and air
GB328346 (1930)	Wilkie		GBR	An attachment for Holding and Protecting the Cleaning Needles or Prickers used in connection with Blow Lamps or Wickless Stoves	Cleaning needle for Blowlamp
GB328986 (1930)	Birnie		GBR	Improvements in and Relating to Soldering Irons and the like	Soldering Iron Heated by a mixture of Gas and air
GB338776 (1930)	Bladon	Bladon	GBR	Improvements in Blow Lamps	Bladon pump for Blowlamp
GB341290 (1931)	Martin	Shaw	GBR	Improvements in or Relating to Blow-Lamps	Blowlamp Burner on swivel
GB347425 (1931)	Carbone	Carbone S.A.	FRA	Improvements in or Relating to Lamps for welding or Soldering and Brazing	Blowlamp
GB348423 (1931)	Milioni		ITA	Improvements in Soldering Irons	SHSI
GB355508 (1931)	Hjorth B A	Hjorth B A	SWE	Improved Heating Apparatus Burning liquid Fuel	Hjorth Blowlamp and stove
GB383505 (1932)	Ortlieb		SWZ	Improvements in and Relating to Vapour Burning Apparatus	Pre-Heater for Burner Applicable to Soldering Iron Heater
GB387609 (1933)	Hankins	Shaw	GBR	Improvements in or Relating to air pumps for Blow-Lamps and other pressure oil Lamps or stoves	Shaw Blowlamp
GB408495 (1934)	Ustonson & Aldersly		GBR	Improvements in Burners for Soldering and like Purposes	Gas Burner
GB408857 (1934)	Rognerud		NOR	Improvements Relating to Portable Blow Lamp Apparatus	Weed-Burner
GB410475 (1934)	Goodyear	Steelway	GBR	Improved means for use in Destroying Weeds, melting ice, Heating asphalt in position or otherwise Heating the ground	Weed-Burner on wheels
GB415265 (1934)	Andersen		DEN	Improvements in Pre-Heating Devices for Vapour Burning Cooking, Heating or Lighting Apparatus	Pre-Heater for stove
GB422070 (1935)	Turner		GBR	Improvements Relating to Painters' Blow-Lamps and to Paint-removing Tool scrapers	Blowlamp adapted as Paint Burner
GB461654 (1937)	Roemer		GER	Improvements in Burner Apparatus for Soldering, Welding and like Operations	Tubular Blowlamp using a mixture of Gases with two cylinders
GB466832 (1937)	Grimley	Eclipse Spraying Co.	GBR	Improvements in or Relating to Flame Producing and Throwing Apparatus	Weed Burner
GB479053 (1938)	Levit		CZE	Improvements in and Relating to Blow Lamps	Two cylinder alcohol Lamp
GB493798 (1938)	Cartwright	Midland motor Radiator Co.	GBR	Improvements in Gas-Heated Soldering Irons	Gas Heated Soldering Iron
GB515441 (1939)	Hovell		GBR	Improvements in or Relating to Apparatus for Killing Weeds and/or Insects	Weed Burner adapted from Blowlamp
GB516968 (1940)	Edwards		GBR	Improvements in Blow Lamps	Industrial Blowlamp
GB524395 (1940)	Meads	Monitor	GBR	Improvements in or Relating to Blow-Lamps, Pressure Oil stoves and like Apparatus	Monitor Blowlamp safety valve
GB563069 (1944)	Smith & Otton	Turley & Williams	GBR	Improvements in or Relating to liquid Fuel Burners	Turley & Williams Blowlamp

Publication #	Stated Inventor (Agent*)	Assignee or Foreign Inventor / Company	Inventor Citizen ship	Patent Title	Brief Description
GB563584 (1944)	Hamilton-Grey		GBR	Improvements in and Relating to Jets for Blowlamps, Blow-torches, or the like	Shield for Blowlamp Jet
GB590983 (1947)	Southworth		GBR	Improved Device to Facilitate the Lighting of Fires and for other Services	Fire lighter, Applicable as a Blowlamp
GB591181 (1947)		Radius	SWE	Improvement in Gasification Burners	Radius control valve for a Blowlamp
GB603888 (1948)	Williamson		GBR	Apparatus for Destroying Weeds and Vermin in the Soil	Weed Burner
GB618974 (1949)	Wood	Valor	GBR	Improvements Relating to Oil Fuel Burners	Burner for Blowlamp
GB641967 (1950)	Whitehead		GBR	Gas-Heated Soldering Irons and Blowpipes	Gas operated Soldering Iron
GB650376 (1951)	Yhap		GBR	Improvements in or Relating to Jet cleaners for pressure stoves, Blow Lamps and the like	Jet cleaner
GB661033 (1951)	Yhap		GBR	Improvements in or Relating to paraffin pressure stoves, Lamps, Blowlamps and the like	Pump for Blowlamp
GB680003 (1952)	Lister	Morton Longley	GBR	Improvements in Vapourisers for Fuel Burners	Burner head for Weed-Burner
GB687291 (1953)	Cox	Monitor	GBR	Improvements in Blowlamps	Monitor Blowlamp
GB695742 (1953)	Meads		GBR	Blow Lamps	Fuel container for Blowlamp
GB697349 (1953)	Smith & Billett	Monitor	GBR	Improvements in or Relating to Blow Lamps, stoves and the like	Monitor Blowlamp
GB708053 (1954)	Meads		GBR	A Paint scraper	Paint scraper accessory for Blowlamp
GB714760 (1954)	Billett	Monitor	GBR	Improvements in or Relating to valve seats for fluid pressure operated valves	Monitor safety valve for Blowlamp
GB728781 (1955)	Elwell-Smith	Monitor	GBR	Improvements in Apparatus for Supplying Fluid under Pressure	Monitor pump and valve for Blowlamp
GB760418 (1956)	Fry		GBR	Improvements in Flame Guns	Flame Gun
GB777486 (1957)	Muller		FRA	Portable Appliance for Heating	SHSI with hose connection to Fuel tank
GB797096 (1958)	Barnes	Wee-Dex	GBR	Improvements Relating to Gas leak Detectors and to such Detectors Usable as Blow Lamps	Refrigeration leak detector
GB807277 (1959)	Beretta & Rampton		GBR	Blow Lamp Attachment	Blow Lamp Paint Burning attachment
GB812921 (1959)	Hunter		USA	Improvements Relating to Blow Lamps	Military Blowtorch
GB827963 (1960)	Hunter		USA	Improvements Relating to Fuel Burners	Burner for military Blowtorch
GB828859 (1960)		Bernz	USA	Improvements Relating to Blow torches	LP Gas Blowtorch
GB853820 (1960)	Addison		GBR	Blowlamp	Tubular Blowlamp
GB854674 (1960)	Saville		GBR	Improvements in Horticultural Flame Gun	Tubular Flame Gun
GB879814 (1960)		Bahco AB	SWE	Improvements in Blow-torches	Bahco Blowlamp
