“EASILIT” BLOW LAMPS

save their cost in two weeks' work.

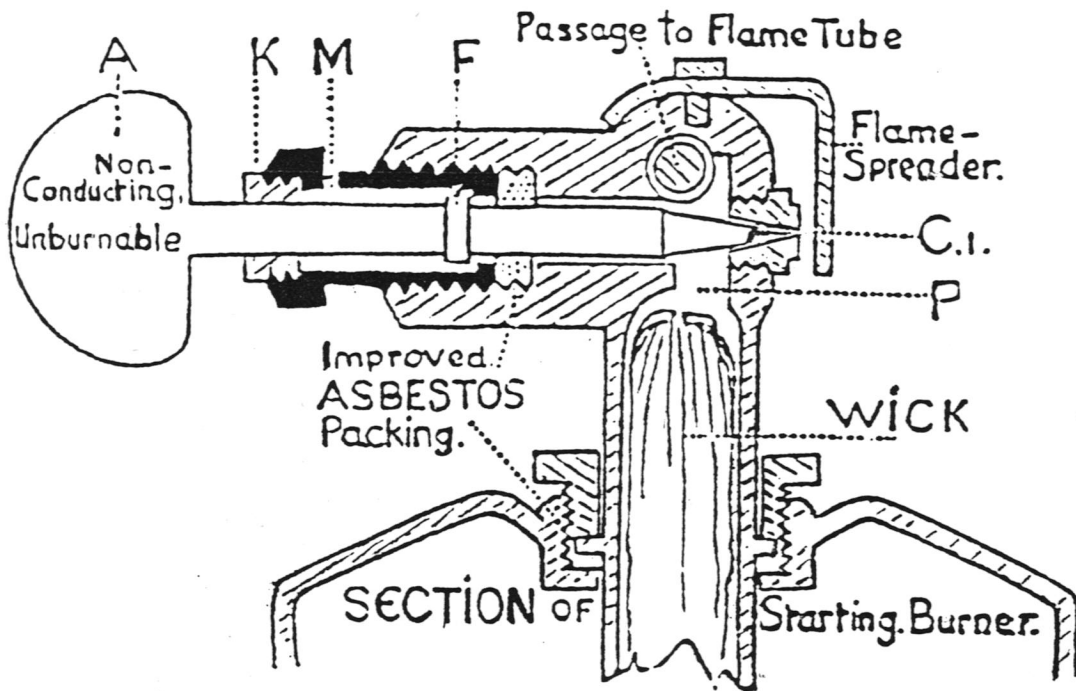

They light up instantly in any weather. Think out, carefully, what that means in saving of time and petrol.

No pricker or spares required. Over 20,000 in use. Gold Medal — Lowestoft, 1914; Bronze Medal — Blackpool, 1914.

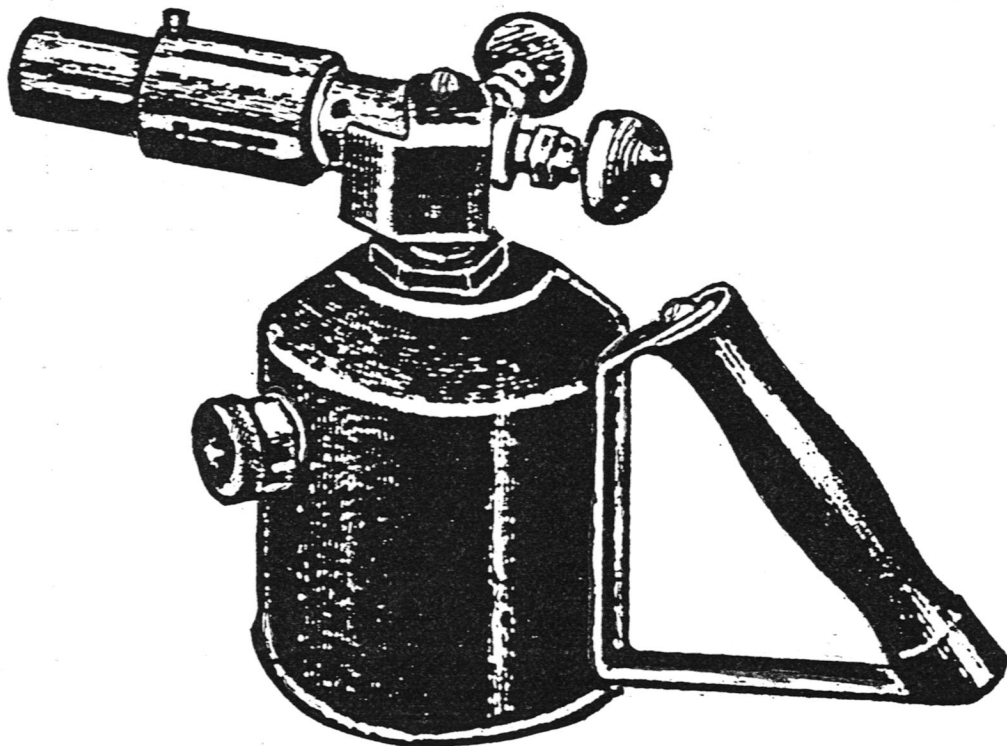

THE EASILIT BLOW LAMP CO., Ltd.
Head Office: 34 Watford Road. Kings Norton,
T. YATES, Managing Director. BIRMINGHAM.

New Improved Blow Lamp to Burn Petrol.

Easy to Clean. All passages accessible. Safe in any position. It saves cost in one week. Lights in a gale by one match spark. It imitates none. The knobs are unburnable and non-conducting.

This lamp will light and burn in wind and cannot choke at the mouthpiece. The Starting Burner and Main Burner can be burnt at the same time, they are both self-cleaned, no separated cleaning pin is required. The Pin cannot be affected by heat, as it is drawn inside. It is quite unnecessary to pour spirit over lamp when lighting.

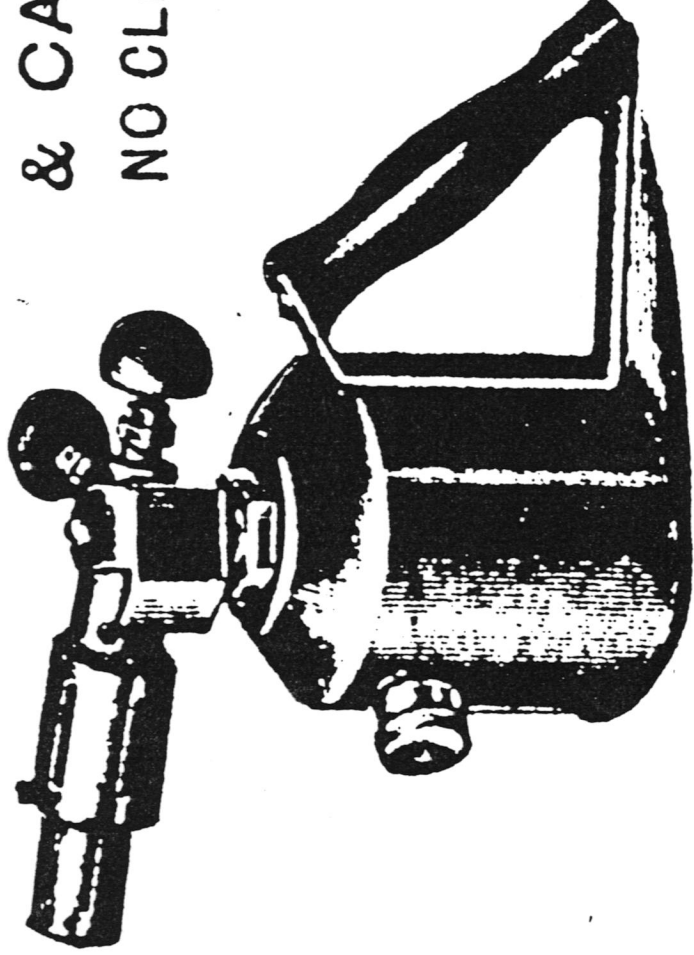

Prices ... No. 1, 13/6 each. Burns $1\frac{1}{2}$ hours at full blast.

No. 2, 16/9 each (stronger). Burns 3 hours at full blast
